Vivian Coleman is the Pedestrian Program Manager for the City of Charlotte Department of Transportation. She is tasked with managing the City funded Sidewalk Program and coordinating an internal committee that reviews pedestrian crossing requests. She serves as the City's pedestrian advocate and works with City staff, residents and elected officials on a number of pedestrian related issues. She works very closely with the disabled community and has started to work with the Safe Routes to School initiative to enhance pedestrian mobility for all users.

Ms. Coleman has 14 years experience as a city planner and previously served as the Planning Director for the Town of Knightdale, North Carolina. She is a graduate of North Carolina State University and holds a Masters Degree of Landscape Architecture. She is a licensed Landscape Architect in North Carolina and is also a certified planner with the American Institute of Certified Planners.
